

At Amerigroup Community Care, we are committed to helping families and their communities.

Because of this, we are one of the most
respected health plans in the country.

We are in 12 states. We serve more than 2 million people through our health insurance plans. In Florida, we offer Florida Healthy Kids (FHK), Medicaid, a Long-Term Care Nursing Home Diversion program and Medicare.

Today, we have over 70,000 FHK members. We want to help keep them healthy. That is why we offer these great benefits:

- No copay to see a primary care physician
- Prescription coverage – \$5 per prescription (one-month supply)
- Free immunizations (shots)
- Free annual checkups or school physicals
- A 24-hour Nurse HelpLine to answer medical questions day and night
- \$10 every month for certain personal care items and over-the-counter medicines
- A wide network of providers

We offer outstanding benefits and service in your community. And we offer them in your language. To learn more about Amerigroup, please visit us at www.myamerigroup.com/FL.
