WELCOME

Thank you for being a Florida KidCare champion and downloading the electronic Back-to-School Partner Toolkit. This toolkit is a collection of resources designed to help you make an impact in your local community by helping us reach more of Florida's uninsured children. Our goal is to ensure that every child in Florida has access to quality health and dental insurance.

Millions of children across the state count on Florida KidCare for affordable, high-quality health and dental insurance to put them on the path to a healthy and successful life.

However, approximately **331,000** children in Florida do not have health and dental insurance. More than half of those children — **162,000** — are likely eligible for low-cost Florida KidCare coverage.

We appreciate your support and encourage you to use the resources in this toolkit to spread awareness, so together we can increase the number of insured children in Florida and help bring peace of mind to all parents across the state.

Sincerely,

Ashley Carr

12. How long does it take to process a Florida KidCare application?

Typically, applications take four to six weeks to be processed. Coverage will begin on the first of the month, only after a child's eligibility has been determined and the first month's premium has been paid (if a premium is needed).

13. May parents choose their child's doctor?

Once a family is enrolled in a Florida KidCare health plan, they can select any doctor participating in the plan's network.

The health insurance plan will send the child an identification card with all the information the doctor's office needs. Parents must remember to show this card at the doctor's office and the pharmacy when filling prescriptions.

15. Once enrolled, could a child ever lose coverage?

A child could lose coverage if:

- Payments aren't made on time.
- The account is not renewed every year.
- The child reaches age 19.
- The family moves out of Florida.

There could be other factors too, and families may call Florida KidCare at **1-888-540-KIDS (5437)** to speak with a representative for any questions.
